We're Proud of this Great Annual Sale

Yes, we're proud of this great annual Auglaize County Shorthorn Breeders' Ass'n. Sale. Why? Because through the years it has become installed as the greatest consignment sale of the year for the really herd-building kind of cattle. Many a great herd doing top business in Shorthorn cattle today can trace its real beginning to foundations purchased in the International sales.

This year consignors are back in greater numbers with greater quality than ever before. It is one of the finest consignments of Shorthorns of Championship caliber ever assembled for auction in present day experience. You can't go wrong with a foundation herd selected from animals offered in this sale.

FOREWORD

A picture is worth a thousand words. Pictured above are some of the fathers, sons, daughters and grand children that have and will for many years to come represent the backbone of the annual Auglaize County Shorthorn Breeders' Sale and Show. Truly, in this area Shorthorns are a family affair. A pride in breeding and selling top Shorthorns is passed down the line. Again, on April 20th, buyers will have an opportunity to reap the harvest of these efforts and ideals. The older men pictured will confirm that the 10 bulls and 42 females to be sold in this 37th Annual Sale will be the best offering ever made. The youngsters stand ready to out-do their fathers. They will share your pride for years to come when you say "I BOUGHT THAT ONE AT WAPAK."

ROSEWOOD 116th—A good, red, cow as can be found in any herd. She is low down, with a very deep body. Very seldom do you find a cow of this breeding and quality in a sale. We could keep her but we wanted to offer one of the best. She is by Saltoun Paul Souvenir, a son of Calrossie Souvenir . . . Supreme Champion of the Scottish Perth Show and Sale in 1941. Bred August 6, 1952 to Kickapoo Metaphor, the imported-in-dam bull we are using in our herd.

STANDARD GUARANTEE

of

American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of the date of purchase, or by the time the bull is twenty months of age, if purchased under fourteen months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not selling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
